

Recap

TRUE OR FALSE?

Whistles can be used to alert searchers as to where you are, and to scare off wild animals.

● True!

You should sneak away from your parents and not tell them where you are going!

- **False!**

When you feel you're lost, you should Hug-A-Tree and stay put!

- True!

You should wear dark clothes whenever you go hiking or exploring in the woods!

● **False!**

A smart idea would be to bring a friend with you when you go outside!

- True!

Searchers only want to help you, even if they sound loud or scary!

● True!

You can keep warm and dry by using your emergency blanket and building a nest.

● True!

You should panic and run around if you feel you are lost!

- **False!**

To help searchers find you, you can make S.O.S signals in the clearing!

- **True!**

Always remember these 4 rules before starting your outdoor adventure:

1. Tell an adult where you are going.
2. Hug-A-Tree and stay put.
3. Keep warm and dry.
4. Help searchers by answering their calls.
